THE PRESIDENT

Jesus' Mission is OUR Mission - in North America

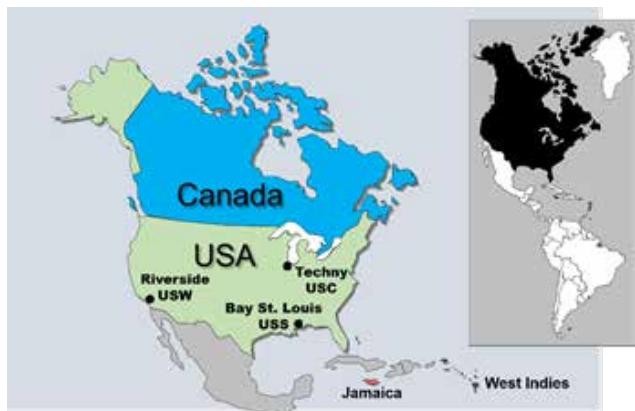

Throughout this academic year, a banner near the chapel has reminded us that Jesus' Mission is OUR Mission. When we think about missionary service, we often think

of places far away.

However, there is also a great need for missionary outreach in our own neighborhood and region.

SVD's in the three provinces of North America have been reaching out to people on the margins of the Church and society ever since Br. Wendelin

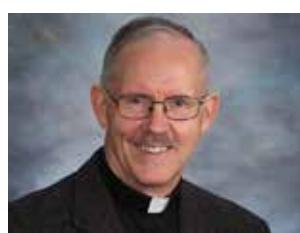

Meyers SVD first arrived in New Jersey on October 15, 1895. From the very first days, we have consistently worked to build up friendship with ethnic, cultural and racial minorities. In these days when racism, xenophobia and discrimination seem to be on the rise, our missionary service is more needed than ever.

Did you know...???

The Western Province (USW), with headquarters in Riverside, CA, is active in central and southern California. The 69 members of the province are involved in many communications and bible ministries, but parish work also offers good opportunities to work with people on the margins. The confreres staff 20 parishes, most with a strong presence in the Spanish-speaking community. There are also individual parishes which attend to the needs of Chinese, Polish and Vietnamese-speaking people.

The Southern Province (USS), with headquarters in Bay St. Louis, MS, is active in five southern states. The 67 members of the province are deeply and historically committed to missionary outreach with African-Americans and with more recent African immigrants. Now, there is also an increasing outreach to Spanish and Vietnamese speakers. The confreres are staffing 40 parishes in Texas, Louisiana, Arkansas, Mississippi and Florida.

The Chicago Province (USC), with headquarters in Techny, IL, extends from Omaha to Boston and from Montreal to Montserrat, and includes parts of TEN nations: Canada, USA, Jamaica, Saint-Martin (French), Sint Maarten (Dutch), Anguilla, British Virgin Islands (Tortola and Virgin Gorda), St. Kitts and Nevis, Antigua, and Montserrat.

The 237 SVD's in the Chicago province emphasize building up intercultural parish communities. At present, they work in approximately 42 parishes. Liturgy is celebrated in many languages, including: English, Vietnamese, Spanish, French, Italian, Polish, Portuguese, Creole, Tagalog and Bahasa Indonesia. It is very common for there to be three or more language groups in one parish.

In all three provinces, many confreres who have other full-time jobs also help at local parishes on the weekends. This is especially true for the larger communities at East Troy, Techny, Theologate, Bordentown and Miramar in Chicago, Riverside and San Diego in the West, and Bay St. Louis in the South.

At Epworth. On average, the SVD community at Epworth helps with Eucharistic celebrations at 12 communities each weekend. Here, close to home, we help communities celebrate their faith in English, Vietnamese, Spanish and French! In addition, many SVD's, students, faculty and staff members from DWC are active in apostolic activities and missionary outreach in churches, food banks, schools, retirement centers, and health care facilities!

Jesus' mission is OUR mission. And it keeps us BUSY!
