

These are the men who were in formation at Divine Word College Seminary in Epworth, Iowa; the Divine Word Novitiate in Techy, Illinois; and the Brother Formation Program and Divine Word Theologate in Chicago during the 2020-2021 academic year.

The Divine Word Missionary formation program is designed to guide young men as they discern their call to religious life. Pray that God continues to strengthen the vocation in our seminarians and in all who He has called to religious life.
