

PRAY FOR OUR MEN IN FORMATION

These are the men who were in formation at Divine Word College in Epworth, Iowa; the Divine Word Novitiate in Techny, Illinois; the Brother Formation Program and Divine Word Theologate in Chicago during the 2025-2026 academic year.

The Divine Word Missionary formation programs are designed to guide young men as they discern their call to religious life. Please pray that God continues to strengthen the vocation in our seminarians and in all who are called to religious life.

There are four additional men in formation in the Chicago Province. They remain anonymous due to possible political and/or religious oppression.
