

Fall Exam Schedule 2026-2027

Final Examinations for all courses will be held in the regularly scheduled classroom **unless indicated otherwise (underlined) below.**

This schedule has been drafted so that no student or faculty member will have **any** conflicts during Exam Week.

NOTE: Because there are so many 1-credit courses that cannot fit into the available time slots, instructors for those courses will need to separately arrange their final examinations based upon individual student schedules, with the Registrar.
